

The Director  
Central Intelligence Agency

Washington, D. C. 20505

14 February 1980

Dear Major Linley,

I very much appreciate all the assistance you provided me and my security staff early this month when I was in Charlottesville. Beyond that, I am grateful to you and your fine staff for the excellent support and cooperation you have given so willingly throughout your tenure at the Scientific and Technology Center.

Again, many thanks.

Yours sincerely,

STANSFIELD TURNER

Major John Linley  
Special Security Officer  
Army Foreign Scientific and  
Technology Center  
220 7th Street  
Charlottesville, Virginia 22204
